

It's that time of year again when we try to find that special gift for our loved ones. It's also a time when we reach out to help others. A Christmas ornament with a picture of your child is a way to do both at the same time. We are taking orders for a Christmas ornament that will hold a picture of your child, using the miniature Lifetouch pictures from this past year. Ornaments cost \$2 each, and all proceeds will go toward tuition assistance to help those who have a difficult time meeting the costs of the quality education we provide at St. Mary Catholic School.

The ornaments were made personally by Sister Margaret – we have tree ornaments and wreath ornaments, each with a slot for your child's picture.

If interested, please complete the form below and return it to school in an envelope addressed to Cheryl Hammond. Please include payment. We have up to 3 mini photos that can be used for these ornaments using the miniature Lifetouch photos of your child, or you can get just the ornament and provide your own picture.

(ORDERS DUE BY December 10, 2009)
